

# Active note taking

Write: images, idioms, featured  
vocabulary words, topics,  
personal ideas

# Listen, watch, write

Turn off cell phone

Focus your mind and attention

(do not do homework from other classes,  
do not talk to others, no text msg)

# Quickly, efficiently write

1. Quickly write (shorter is better)
2. Underline or circle items to research
3. Underline key words to search in web
4. On the side, write questions you want to ask in class or by email
